Memorandum

To: Director

From: Superintendent, Yellowstone

Subject: Superintendent's Monthly Narrative Report for October 1963

General

Weather Conditions. Warm dry weather prevailed until the last week of October. Maximum temperature was 76 degrees on the 5th at Tower Fall; the minimum 15 degrees on the 27th at Lamar.

Small amounts of snow fell during the last few days of the month. The Beartooth Highway was closed for the season on October 25 due to snow conditions.

Increase or Decrease in Travel. Visitors entering the Park during October totaled 46,232. This is an increase of 37.8 percent over last year.

Entrance stations were open and collected fees until October 15. Stations remained open for information until October 31.

Visitors. Special FBI Agent J. Mason Melvin was in the Park for investigative matters on October 3 and 15.

Foreign Visitors. Sir Thomas Hugh William Beadle, Chief Justice of South Rhodesia, and Lady Beadle visited the Park October 10-12.

M. Alfred Gaillardin of France, studying under a Lafayette Fellowship Foundation and touring National Parks, visited the Park October 25-29.

Special Activities. Biologist Robert E. Howe spent October 3-4 with Bill Blanchard, Assistant Refuge Manager, National Elk Refuge, and two Kenya National Park employees, Elisha K. Samuel, Field Officer, Nairobi National Park; and Hassan Said, State Warden, Tsava Royal National Park. Wildlife management and range studies were discussed in office and field.

To: Superintendent

From: Superintendent, Yellowstone

Subject: Superintendent's Annual Statistics Report for Calendar Year [illegible]

Special

Weather Highlights. Warm dry weather prevailed until the last week of October. Maximum temperatures were 70 degrees on June 3rd and August 6th. The minimum 15 degrees on the 27th of January.

Until amounts of snow fell during the last ten days of the month. The Jackson Hole Valley was closed for the season on October 31 due to snow conditions.

Damage or Injuries to Travel. Visitors entering the park during another record year. This is an increase of 37.2 percent over last year.

Entrance stations were open and collected fees until October 15. Visitor services were open for [illegible] until [illegible].

Fishing. Special FWS figure 3. Means fishing was in use from [illegible] restrictive regions on Sections 3 and 12.

Forest Fires. Six lightning fires burned [illegible] acres of land. Three were in [illegible] and [illegible] fires. The [illegible] fire.

A. Alpine ski facility is [illegible] operating under a [illegible] Concession and serving National Park, Wyoming [illegible].

Special activities. Literary Walker [illegible] Lake [illegible] Hill Elementary, Jackson Hole College [illegible], [illegible] and Cooper Natural [illegible] Yellowstone, Idaho [illegible] Teton National [illegible] and Grand [illegible] National Park. Utility management and [illegible] in action and [illegible].

On October 23, Chief Park Naturalist Good presented an illustrated evening program to 17 members of the Atomic Energy Commission Seminar group at Old Faithful Inn.

During the week of October 20-26, the Atomic Energy Commission held a Management Development Seminar at the Old Faithful Inn. Park District personnel were encouraged to attend.

Superintendent's Staff Meetings were held October 10 and 24.

Miscellaneous. A potluck was held October 8 in the Canteen with more than 200 employees and friends attending. Superintendent Garrison was Master of Ceremonies and presented the following awards:

James S. Epperson, Foreman II (Roads), who retired June 28, 1965, was presented a gold medallion for commendable service, a lapel pin, and he and his wife were presented lifetime passes to all areas administered by the National Park Service.

William B. Foster, Foreman IV, Maintenance and Safety Officer, was presented a superior performance award and a check for $200 for his outstanding work on safety.

Mrs. Anne B. Goff received a superior performance award and check for $150 for outstanding performance of her duties as Mr. Garrison's Secretarial Assistant.

A superior performance award and check for $200 was presented to Arthur N. Minish, Construction and Maintenance Dept. (Roadways), for his excellent execution and planning of work on the park roads.

A superior performance award and check for $150 was presented to Thomas S. Willett, Sanitarian, for his outstanding work with the Concessioners and U.S. Public Health Department.

Florence C. Salisbury received a superior performance award and check for $150 for outstanding performance as Progress Clerk.

A 30-year service pin was presented to Clarence E. Pooyen, Cash Accounting Clerk. All of his service has been in Yellowstone. John R. [illegible], Construction and Maintenance Superintendent (Buildings and Utilities), also received a 30-year pin.

Mr. Marion W. Myers, Forester (General) was presented a 20-year service pin.

On October 13, Chief Park Ranger Lund presented an illustrated evening program in [illegible] at the Atomic Energy Commission group at Old Fairfield Inn.

During the week of October 20-26, the Atomic Energy Commission held a Management Development Seminar at the Old Fairfield Inn. Many [illegible] other personnel were encouraged to attend.

Superintendent's staff meetings were held October 20 and 26.

Miscellaneous. A petition was held October 6 in the Kennewick area from 200 employees and Citizens Committee. Superintendent Stevens was Major of Ceremonies and presented the following awards:

James E. Sprague, Thomas H. Jones, who retired June 30, 1963, was presented a gold medallion for meritorious service, a lapel pin, and he and his wife were presented lifetime passes to all areas administered by the National Park Service.

William M. Hooper, Station IV, Maintenance and Safety Officer, was presented a superior performance award and a check for $100 for his outstanding work on safety.

Mrs. Anne R. Hall received a superior performance award and check for $100 for outstanding performance of her duties as Mr. Hartshorn's Secretarial Assistant.

A superior performance award and check for $100 was presented to Carlos N. Minick, Construction and Maintenance Supt. (Foreman), for his excellent execution and planning of work on the park level.

A superior performance award and check for $100 was presented to Clyde E. Willert, Sanitarian, for his outstanding work with the Benton-Franklin and U.S. Public Health Departments.

Florence C. Pallanty received a superior performance award and check for $100 for outstanding performance as Payroll Clerk.

A 30-year service pin was presented to Clarence E. Jones, Chief Maintenance Man, Hanford. All of his service has been in Yellowstone. John E. Stone, Construction and Maintenance Superintendent (Facility Manager), also received a 30-year pin.

Mr. Darlene V. Jones, Foreman (General) was presented a 25-year service pin.

O. Raymond Sellers, Jr., Supervisory Park Ranger, and Henry C. Young, Operator General (Light Duty), received 10-year pins.

A Farewell Coffee honoring Dee and Judy Williams, Friday, October 18, was held in the Coffee Room.

A Farewell Coffee was held October 24 for Marie Pierson in the Coffee Room.

A stag farewell was very successful for Carl Lamb.

Administration

Personnel. Alvin S. Bloom, Mechanic, Electronic Equipment (subject to furlough) EOD October 21, 1963.

Mrs. Judith Williams resigned her position as Bookroom Clerk effective October 18 to accompany her husband to Grand Teton National Park where he has accepted a position. Mrs. Dara Wolfe entered on duty as Bookroom Clerk for YLMA on October 11.

Transfers. Carl C. Lamb, Park Ranger (Management Assistant), GS-7, transferred to Mt. McKinley National Park, as a Park Ranger GS-9 effective October 20.

Darwin E. Williams, Procurement and Property Management Officer, GS-13, transferred to Grand Teton National Park, Management Assistant, GS-11, effective October 20.

Marie A. Pierson, Secretary (Steno), GS-5, transferred to Rocky Mountain National Park, Mail and File Clerk, GS-4, effective October 27.

Returned. Assistant Chief Park Naturalist Bryan Harry returned to duty in the Park October 21 after spending the past four months on the Northern Cascades Study.

Deaths. Donald E. Boynton, seasonal Park Ranger, committed suicide in Bozeman September 29.

Training. A nine-minute tape has been prepared by the Personnel Branch for use in employee orientation to the current "Plan for the Year" program.

Safety and Health. There were three on-the-job injuries reported during the month of October, involving two maintenance personnel and from the Interpretive Division. To date this year there have been 66 on-the-job injuries as compared with 53 at this time last year.

[illegible] Hayward Gallery, Jr., superintendent from August, and Ernest L. [illegible] crystal-cleaned Glass Bowl, remained [illegible] plus.

A Pennsylvania Station bowling for and Amy Williams, Philadelphia, Saturday 14, was held in the Gallery Room.

A Pennsylvania Station was held Monday 15 for [illegible] visitors in the Gallery Room.

A stag Saturday was very successful for local [illegible].

Birthdays

Lawrence, Alvin E. Olson, machinist, Alexandria equipment (Langley) or Saturday and October 24, 1961.

Mr. Delbert Williams retired last position as Alexandria Glass [illegible] October 22 to accompany his husband to Lake Tahoe National Park where he has accepted a position. Mrs. Pete Kelly entered on duty as Glass Room Clerk for Vida on October 22.

Transfers. Carl E. Lamb, Park Ranger (Management Assistant), GS-9, transferred to St. Andrews National Park, at a Park Ranger GS-9 effective October 22.

Marvin C. Williams, Procurement and Property Management Officer, GS-12, transferred to Grand Teton National Park, Management Assistant, GS-11, effective October 20.

Merle A. Thayer, Secretary (Clerk), GS-5, promotion to Glass Room Assistant Park, Well and Vida Clark, GS-4, effective October 21.

Retired. Helaine Dale Park Management Aide Terry received to Mr. [illegible] on the park October 21 after spending the past four months on the Management Staff.

Birth. Harold E. Jackson, assistant Park Ranger, Everglades Park to Lawrence September 22.

Marriage. A wedding took place in Yosemite by the Yosemite Lodge for use in Alpine [illegible] in the ceremony "Plan for the Day" [illegible].

Fatal and Death. There were three on-the-job injuries reported during the month of October, involving two maintenance personnel and from the Interpretive Division. The data this year shows more than 40 on-the-job injuries as compared with 33 at this time last year.

Conservation, Interpretation and Use

Interpretive Services. The Mammoth Visitor Center was open 8:00 a.m. to 12:00 noon and 1:00 p.m. to 5:00 p.m. daily during October. Attendance increased 60% over last year. The Old Faithful Visitor Center was the West District facility open to the public this month. It was open daily from 8:00 a.m. to 7:00 p.m. until October 19 and until the end of the month it was open from 8:00 a.m. to 5:00 p.m. Evening programs were given inside the Visitor Center until 9:00 p.m.

On October 10, distinguished visitor Sir Hugh Beadle was asked to present the evening program, which consisted of three excellent films on wildlife in Rhodesian national parks.

No interpretive services were available in the South District during the month because of inclement weather.

Interpretive Planning. Two extensive field surveys were completed in the South District during the month--one at Canyon and one in the Lake area.

History. Sample tree cores for use in establishing a dating calender for the Park were taken by the Park Historian on Sunset Peak October 7. On October 10, the Park Historian and West District Naturalist made an attempt to pin-point the location of the Norris cabin at Old Faithful by increment bores. The age of a huge lodgepole pine was determined by means of an increment bore.

Research and Observation. Mr. Robert Hanson of the USGS, Denver, was here October 7-11 to install three seismographs; one at Mammoth, one at Canyon, and one at West Yellowstone. Data from the seismographs will be used for study and research on earthquakes in the Rocky Mountain Region by the USGS.

Mr. Bob O'Brien spent several days in the Park Library this month continuing research on his thesis "The Role of the U.S. Army in the Development of NPS Policies".

South District Naturalist inspected rock materials removed in the dredging and marina construction at Grant Village.

South District Naturalist accompanied the Chief Park Naturalist on a trip into Hayden Valley to record and collect from outcrops of Lake sediments from glacial Lake Hayden.

The Madison and Lamar River water gauges were read by Ranger personnel for the USGS.

INTERPRETATION, INFORMATION AND USE

Interpretive Services. The Nomads Visitor Center was open 8:00 a.m. to 5:00 pm and 1:00 p.m. to 5:00 p.m. daily during January, February, March, November and December of last year. The Old Railroad Station Center was the best attended facility open to the public this month. It was open daily from 8:00 a.m. to 5:00 p.m. until October 15 and until the end of the month it was open from 8:00 a.m. to 5:00 p.m. Tuesday through Saturday and from noon to the Visitor Center until 7:00 p.m.

In October 15, distinguished visitors Sir Hugh Dowding and wife were in park and the evening program, which consisted of three auditorium films, was shown in Wednesday morning and afternoon.

In interpretive services were available in the Nomads Interior during the week because of inclement weather.

Interpretive Trails. Two extensive field surveys were completed in the Nomads Interior during the month--one at Canyon and one in the Lake area.

Signs. People that venue for use in erecting a setting interpretive for the park have taken by the Park Superintendent in Nomads Park Division to finish it. The Park Historian and Park Naturalist Interpretive work to attempt to pinpoint the location of the Nomads cabin at Old Fairfield by interment boxes. The age of a huge lodgepole pine was determined by means of its interment boxes.

Research and Interpretive. Mr. Robert Brown of the USGS, Denver, was this period 1-11 to locate their seismograph set at Nomads, one at Canyon, and one at West Yellowstone. Data from the seismographs will be used for study and research on earthquakes in the Rocky Mountain Region by the USGS.

Mr. Jack Hafner spent several days in the Park during this month assisting research on his thesis "The Role of the Ski Area in the Development of NPS Policies".

Park District Naturalist inspected rock materials removed in the development and working construction at Grant Village.

Park District Naturalist accompanied the Chief Park Naturalist on a trip into Hayden Valley to sample and collect from [illegible] at Lake Yellowstone from glacial lake Hayden.

The trailers and lower River water samples were used by Hayden geologists for the USGS.

Park Management Biologist and Chief Park Naturalist spent October 17 and 18 inspecting the Raven Creek and Upper Willow Creek areas, noting considerable evidence of fall use on sedge, but range conditions generally were good.

Unusual thermal activity was observed October 21 in the West Thumb Basin. A violent fountain type eruption of from twenty to thirty feet was reported from the large pool immediately southeast of Pool No. 29.

STEAMBOAT continues to produce major eruptions frequently as in the past months. GIANTESS erupted on the 10th and 17th, and BEEHIVE played on the 11th.

Protection. Primarily, ranger activities in the West District for October were aimed at adequate visitor information at West Entrance and Old Faithful and boundary and road patrols to cover as much area as possible during the hunting period outside the Park.

Patrols to Beartooth were made frequently after October 10 until the road was closed by snow October 25. Hunters are still using the road to Long Lake.

Various parts of three different animals were found in the Old Faithful area during October, leading to the assumption that all three animals could have been poached in the Park. To discourage any further attempt of this type, night patrols have been increased with existing manpower available.

Park regulations were reviewed at a meeting of the Chief Park Ranger's staff to determine revisions and recommendations of regulations for Park operations.

All patrol cabins have been supplied with winter rations.

A total of 11 reportable law enforcement incidents occurred during October. Of these, two were reportable under the FBI Uniform Crime Report.

Two persons, one a Park visitor and the other a Park employee, were both tried before the U.S. Park Commissioner. Both individuals were charged with shooting and killing a Park bear, although two separate incidents were involved. Both men pleaded guilty by reason of self defense; however, each individual was found guilty as charged and fined $100 each, one fine imposed and the other suspended.

Two Park visitors posted Appearance Bonds totaling $25 on charges of minor traffic voilations. Both bonds were forfeited on the bond expiration dates. Special FBI Agent Melvin obtained a Warrant of Arrest from the U.S. Park Commissioner for a Park visitor on a felony charge of False Impersonation, an incident that took place during the summer.

A runaway boy from Great Falls riding a stolen motor bike was apprehended at the North Entrence and turned over to the Park County Sheriff who made arrangements for the boy's transportation home.

Building Fire Protection. In cooperation with Fire Prevention Week, October 6-12, a fire hazard inspection was made of all buildings in the North District. Fire brigade training for Mammoth personnel was held October 11.

Sanitation. Park Sanitarian Willett attended a one-week course in "Microbiology for Sanitarians", at Montana State College in Bozeman.

Wildlife.

Bald Eagle. One was observed near the Gallatin Ranger Station on October 28.

Bear Incidents:

	Through October 1963	Through October 1962
Bear Injuries	36	42
Bear Damages	275	112
Bear Killed for Control	16	52
Bear Killed by Accident	14	8
Bear Shipped to Zoos	7	-

Grizzly bears have been observed up Pelican meadow in the Astringent Creek area and near Otter Creek at Canyon.

Bighorn. Ranger Orgill observed seven mountain sheep at the east base of Rattlesnake Butte on October 17.

Bison. A herd of approximately 60 head of bison has moved into the vicinity of Midway Basin in the Old Faithful area during the past several days. A smaller herd of 43 has been in the Nez Perce area for a month. Bison sightings are common at Mary Bay.

The two relative penal departments both installed [illegible] in charge of where traffic violations. Both boats were furnished as the load expansion dates. Special PFI Agent Kelvin observed a Bureau of Arrest from the U.S. Park Headquarters for a Park visitor on a felony charge of Police Impersonation, an incident that took place during the summer.

A runaway for Ross Court Julia riding a stolen motor bike was apprehended at the North Division and turned over to the Park Ranger Service who made arrangements for the boy's transportation home.

<u>Building Fire Inspection.</u> In cooperation with Fire Prevention Bureau, Member [illegible], a fire hazard inspection was made of all buildings in the Park District. The building training for personnel [illegible] held October 21.

<u>Training.</u> Park Patrolman Gilbert attended a week-long course in "Leadership for Servicemen", at Northern State College in Bonsom.

<u>Vehicle.</u>

<u>Hell Ships.</u> One was observed near the Gilbert Ranger Station on October 21.

<u>Bar Incident</u>

	Through October 1967	Through October 1971
Bar Injuries	32	42
Bar Damage	$21	$31
Bar Called for Service	32	37
Bar Called by Patrol	14	8
Bar Stopped in Time	7	-

Already bars have been closed by Police action in the Lakeview Park area and more bars seek at Tempo.

<u>Fishing.</u> Ranger Pugil observed seven violents fishing at the best line of Lakeview Park on October 17.

<u>Plans.</u> A band of approximately 50 boys of Green Bay Area the vicinity of Sidney Park in the Old Bridge with during the past several days. A similar band of 40 has been in the Fox River area for a week. Close pilfering and crimes at Grey Bay.

Canada Geese. A large flock of thirty birds has accumulated at the lower end of Midway Geyser Basin.

Elk. Elk traps were built at Daly Creek and Bellroaring.

Elk activity has been on the increase for the past month throughout West District. The first elk migration from Hart Lake area was observed October 10. By October 23, small scattered bands of bulls were observed throughout this area.

Otter. Otter have been observed below the Upper Falls, at the old Lake Dock and at Shoshone Lake.

Swan. Two Trumpeter Swan were on the Madison River in the vicinity of Mt. Haynes most of the month. A pair were seen on Feather Lake October 20. Many swan have been observed on Yellowstone Lake, Yellowstone River, and Shoshone Lake. From the large number of birds, it would appear they are whistling swan on migration.

Trout. Several rainbow trout were netted from Phantom Lake when it ran out of water and transported to Slide Lake. Herons were seen frequently at Phantom Lake during low water, and it is quite probable they made a reduction in the fish to be moved. Fishing success in Lewis and Shoshone Lakes proved excellent during the latter part of October. Brown trout were predominant.

Construction and Maintenance. A new radio aerial was installed at Bechler Ranger Station giving much better communications with Mammoth.

Work was started on the Lamar Research Center road reconstruction with the removal of fences, old buildings, etc.

The Pelican Creek fish trap was completed as well as the special grate sections for all three traps. The traps were inspected October 31 by Chief Park Engineer, Chief Park Naturalist, Assistant Chief Park Naturalist Martinek, and the Project Engineer and were declared ready for use at that time.

Repair of the Bellroaring elk trap was completed this month. Materials and crew were transported to the job site by a rental helicopter, and the work consisted of constructing a new holding corral and working chute. Existing fence was repaired and strengthened with new wire and placement of wooden posts where necessary on the first holding corral. Work also has begun on the Daly Creek elk trap.

Mr. Dahlquist of the University of Wyoming was in the Park to review the experimental seeding and fertilizing being carried on during the past year.

Concessioners. As of October 31, all facilities in the Park closed except at Mammoth headquarters where the General Store and Gas Station remain open the year round. In the Old Faithful area, the Old Faithful Inn and Campers Cabins closed October 24 and the service station at Lake closed October 24. The gas station at Old Faithful closed October 31.

Public Affairs

Publicity. On each Thursday the Yellowstone Weekly News was issued to keep employees, concessioners and others currently informed of Park happenings. Four press releases were issued: one concerning a bear having a can stuck to its foot, one on visitor days in Yellowstone breaking all-time record, one on the Potluck Dinner honoring employees receiving awards, and one on the roads remaining open through October 31 and available accomodations.

Religious and Chapel Use. Protestant services were held throughout the month.

Big Hole National Battlefield. Increase in travel noted this month. Yearly travel now over 15,000 visitors, an all-time high for Big Hole.

Acting Superintendent Maxey gave a school program for the High School History Classes of Darby, Montana October 22.

DESIGN AND CONSTRUCTION NARRATIVE

October 1963

Plans, Maps and Surveys: The following drawings were reviewed or approved as indicated:

Master Plan Drawing No. NP-YEL-3942, Grant Village Service Areas, approved for Service Employee Housing Area, Ranger and Fire Station - but NOT for concessioner facilities.

Master Plan Drawing NP-YEL-6002, Grant Village Service Areas, Utilities: approval restricted to NPS Maintenance and Employee Housing Area, and Ranger-Fire Station in conformance with Director's approval of a portion of drawing No. NP-YEL-3942.

Preliminary Drawing NP-YEL-6012, Visitor Center, Grant Village, recommended by Acting Superintendent.

Master Plan Drawing NP-YEL-3945, Lamar Research Station, approved by Assistant Director Stratton October 9.

Working Drawing NP-YEL-2142, Remodeling Fish Hatchery to Offices, Lake: approved October 15 as preliminary drawing only, by Acting Regional Director. Approval as working drawing withheld pending space heating and electrical details.

Working Drawing NP-YEL-6013, Pathological Incinerator, Lake, LP Gas and Electrical Installation, approved by Acting Regional Director subject to approval of U. S. Public Health Service of incinerator unit before installation.

Final Inspections:

October 2: Campground Roads and Parking Areas, Norris, Robert V. Burggraf Company, contract No. 14-10-0243-531. Accepted subject to burning of slash.

October 7: Norris-Canyon Cutoff, Taggart Construction, Contract No. 14-10-0100-1201. Accepted. (BPR)

October 11: Campground Water Supply at Norris, Nelson Bros. Construction Company, Contract No. 14-10-0243-523. Accepted subject to completion of minor items and burning of slash.

October 15: Roads and Parking Areas, Canyon Campground Area, Burggraf, contract No. 14-10-0243-531. Not accepted until
October 21: Second inspection, Burggraf, Canyon. Accepted.

October 17: Boat Docks and Related Facilities, Bridge Bay - Paul R. Lee, Contract No. 14-10-0243-483. Accepted subject to

completion of items listed by NPSC Landscape Architect Rosenberg.

October 17: Arnica Creek - Bridge Bay Road - Long Construction Company, Contract No. 14-10-0100-1242. Accepted. (BPR)

October 21: Campground Roads and Parking Areas, Indian Creek - Burggraf, Contract No. 14-10-0243-531. Accepted subject to burning of slash.

October 24: Grading and Topsoiling - Clinic Building, School Grounds and Residential Area, Mammoth - Gray Landscaping, Inc., Contract No. 14-10-0243-545. Accepted subject to completion of final grade and spreading stockpiled topsoil in two areas of the school playfield where other contractors have not completed their portion of other contracts.

Bid Openings:

October 5: Grading and Topsoiling - Clinic Building, School Grounds and Residential Area, Mammoth. Five bids received. Low bidder: Gray Landscaping, Inc., Idaho Falls, Idaho. Amount: $9,204.65. (Government portion: $4,367.50; balance, School)

Contracts Awarded:

No. 14-10-0243-548, Elliott Construction, Riverton, Wyoming, $19,500 for construction of wash house and eight-unit apartment building at Grant Village.

No. 14-10-0243-545, $9,204.65, Gray Landscaping, Inc., Idaho Falls, Idaho, for grading and topsoiling, Mammoth.

Preconstruction Conferences:

October 14: Elliott Construction and Gray Landscaping.

Notice to Proceed

Effective October 15: Gray Landscaping.

Notice to proceed will not be given Elliott until next spring.

Pre-Advertised:

October 8: Visitor Center, Grant Village
Laundry-Showers-Office-Quarters Building, Fishing Bridge Trailer Village

completion of these items on our [illegible] schedule.

October 17: Review items - Group [illegible] - [illegible] [illegible]

October 24: Supervised Study and Problem Areas, Indoor Group - Burgoyne, Contact Dr. [illegible], [illegible] in meeting of [illegible].

November 30: Meeting and Counseling - Office [illegible], Annual review and Residential Area, Summer - Group [illegible], Contact Dr. [illegible]. [illegible] completion of final [illegible] [illegible] request in two areas or the [illegible] [illegible] [illegible] [illegible] [illegible].

[illegible]

October 31: Drafting and Consulting - [illegible] [illegible] [illegible] [illegible]

Program Adjustments

Regional Office No. B-64-5, WASO B-64-33: Concessioner Facilities, Bridge Bay (incl. Concessioner Sales Bldg., Boat Repair and Rental Bldg., 1½-ton hoist, Clock House and Floating Fuel Dock)-$150,000 (from savings on Marina Dredging and Bulkheading, Grant Village).

Regional Office No. B-64-4, WASO B-64-31: Elk Trap at each of the following locations: Gallatin, Stevens Creek, Slough Creek, Hell-roaring Slopes - $34,700 (from savings on extension of utilities, Grant Village).

Visitors included Ed Smith, Chief Engineer, WEDC; W. A. Mott, Hydraulic Engineer from Midwest Regional Office; and Paul Schofield of the architect's office who made his third inspection of the new school building on October 18.

A new 1966 fiscal year construction program (proposed) has been received from the Regional Office.

YELLOWSTONE NATIONAL PARK, WYOMING. OCTOBER 8, 1963.
Administrative Officer Ernest H. I. Anderson introduced new employees in his division. l. to r. Mrs. Joseph Vaughn and children, Joseph Vaughn, Procurement Assistant; Mrs. Naomi E. Snyder, Secretary to Administrative Officer; Mrs. Gilbert Henry and Gilbert C. Henry, Placement Specialist; Mrs. Gary Stork and Gary L. Stork, Personnel Clerk-Stenographer.

George J. Tracy, Fire Cache Supv., and Helen E. Tracy, Secretary to Sgt. Asst. Each have 10-year pins. All of their service in Yellowstone. Presentation by Superintendent L. A. Garrison.

Associate Superintendent Luis A. Castellum welcomed a group of new employees. L. to R. Eugene T. Mott, Project Inspector from Western Office of Design and Construction, San Francisco, and Mrs. Mott; Peggy A. Landreth, Secretary to Associate Superintendent Castellum; Mrs. Edmund J. Clancy and Edmund J. Clancy, Park Landscape Architect.

Arthur H. Hinish, Construction & Maintenance Supt. (Roadways), received a superior performance award and check for $200 for his excellent execution and planning of work on the Park roads. His supervisor, Chief Park Engineer G. A. Rose made the presentation.

William S. Foster, Foreman IV, Maintenance and Safety Officer, receiving a superior performance award and check for $200 for his outstanding work on safety. Presentation was made by Superintendent L. A. Garrison.

Thomas S. Willett, Sanitarian, received a superior performance award and check for $130 for his outstanding work with the concessioners and U.S. Public Health Department in maintaining high standards of food handling in the Park. Chief Park Engineer L. A. Howe made the presentation.

More than 120 years of Government service represented by:

Clarence T. Sowyen, Cash Accounting Clerk (Cashier)
John E. Cyrus, Forester (Timber) Management
John R. McRae, Construction & Maintenance Supt. (BAU)
Lamuel A. Garrison, Park Superintendent

Mrs. Florence C. Salisbury received a superior performance award and check for $150 for outstanding performance of her duties as Programs Clerk. Programs & Plans Officer Harvey E. Reynolds made the presentation.

Clarence E. Scoyen, Cash Accounting Clerk (Cashier) receiving a 30-year service pin from Superintendent L. A. Garrison. Except for military service, Mr. Scoyen's Government service has been in Yellowstone National Park. Superintendent L. A. Garrison made the presentation.

Marion W. Myers, Forester (General) receiving a 20-year service pin from Superintendent L. A. Garrison. Mr. Myers has been in Yellowstone since June 1960.

James E. Epperson, Foreman II (Roads), who retired June 28, 1963, received a gold medallion for commendable service, a lapel pin, and lifetime passes to all areas administered by the National Park Service. Presentation was made by Supt. L. A. Garrison.

Carl C. Lamb, Park Ranger (Management Assistant), receiving gift from Supt. Garrison. Mr. Lamb is transferring to Mt. McKinley.

Superintendent Harrison presents a gift to Darwin and Judy Williams. Mr. Williams, Procurement and Property Management Officer, is transferring to Grand Teton National Park.

At a Farewell Coffee held Oct. 24, Asst. Supt. Richard A. Nelson presents a gift to Mrs. Marie A. Pierson, Secretary (Steno), who is transferring to Rocky Mountain National Park.
